WHITE BLUFF CHAPEL COLUMBARIUM & PRAYER GARDEN

Why a Columbarium?

Having a memorial on church grounds can be a source of personal emotional support for members. It provides a dignified, yet serene place to pray and meditate. The Columbarium is accessible all year and its setting is pastoral and peaceful so families can visit and be comforted. With an increasing awareness of the benefits of cremation, WBC can provide through a columbarium a dignified, aesthetically pleasing resting place for cremains at a significant cost savings.

Cost of a funeral and burial today is between \$10K—\$20K. Two funerals/burials might be twice this amount; however each niche can hold two urns reducing the overall cost.

WBC COLUMBARIUM & PRAYER GARDEN

Who may use the Columbarium?

Inurnment in the WBC Columbarium will be limited to current/former members of WBC, spouses of members, children/grandchildren/stepchildren of members, parents/stepparents of members, and current or past ministers of WBC.

Why a Memorial Wall?

WBC members may choose to have a family member memorialized by purchasing a memorial wall plaque with their name on it. The plaque will cost \$500 which will include one engraving. Additional engravings will be paid by the members at \$100 each. No more than four names may be placed on a plaque. Font style will be determined by WBC.

How much does a Columbarium Niche cost?

Each niche, holding up to two urns, will cost \$1800 which includes 2 faceplates. This cost does not cover the cost of the urns or the cremation. Additional engravings will be paid by the member at a cost of \$100 each.

How is WBC paying for the Columbarium?

The Columbarium & Prayer Garden is being ENTIRELY SELF-FUNDED, using proceeds from the sales of niches and memorial wall plaques for construction and perpetual care costs.

I am interested in purchasing:
