Wee Can Know

Pictured left: Chris Jolissaint shares Gospel on MG day

Greetings from New Orleans!

Your prayers and support helped us accomplish amazing results in February on into March! While doctors operated on Phil's back, Debbie became inspired by her friend, Patti Nodar McDonald's book, *The Gospel Parade* (download for \$4.99 at Lulu.com). Debbie wanted to create a shoebox float (kids make in New Orleans) for the six Gospel floats in Patti's story. However, Debbie needed the floats in less than a week. No way, she thought but God made a way! The New Orleans Baptist seminary CHES homeschool art class created 6 floats in an hour!!!! (Plus had a cultural/evangelism experience themselves.)

Debbie created a lesson using the floats, Gospel bracelets, and the *The Gospel Parade* story to present in local preschools! The parade rolled 10 times so far reaching 159 children (others scheduled). But there's more....

When Debbie heard the beautiful weather forecast for Mardi Gras day, she knew families would come out in large numbers. Could she put the floats on a wagon and share with families before the parade? She asked Phil with only 4 days to prepare; he came up with a perfect plan connecting 3 wagons and attaching the floats. As an end result, the parade rolled on the city streets Mardi Gras Day and we gave out 397 Gospel packets!

Smiths with Chris Jolissaint, ready to roll!

Your giving and prayers made it happen!!!! You are a vital part of what WCK, thank you for caring, we feel tremendous gratitude.

For God's little lambs,

Phil & Debbie Smith

We want to express our heartfelt thanks to all that gave to make our Mardi Gras ministry possible: Turpin and Alfie Owens (Alfie made 1,386 Gospel bracelets); Laura Riley, Monique Parker, & CHESS homeschool kids, Fletcher & Peyton Campagna (creating floats); Frank Samrow & Izah Campagna (packing packets); Boogie & Lena Melerine (hosting a parade); (Don & Chris Jolissaint assisting on Mardi Gras Day) and **YOU** for your generous support!

One of the families Chris shared the Gospel with MG day! Debbie had laryngitis, Hannah Shull got strep throat, and Phil was limited from surgery. We thank God for the Jolissaints (local CEF directors) and their willingness to come out and help! With all our disabilities God made a way!

Smith Update: Phil feels much pain relief, limited to feet and knee now! Debbie begins radiation on March 11.
