

Wee Can Know

*When you pass through the waters, I will be with you;
And through the rivers, they shall not overflow you... Isaiah 43:2 NKJV.*

Dear White Bluff Chapel,

Wow! Our last letter we mentioned that our city was VERY wet! During that time, businesses in Orleans parish flooded including Edgewater Baptist Church, a host church for our Saturday Seminars. They were inundated with three inches of water! We thank the Lord that Edgewater could clean up quickly and they graciously hosted our bi-annual training on August 19, we didn't see any signs of a flood!

As you know, we assist Child Evangelism Fellowship® (CEF®) by coordinating the bi-annual after-school Good News Club® (GNC®) training and assisting with instruction. This year CEF sponsored three seminars and we coordinated and assisted at two!

The seminar provides training for new and returning volunteers for CEF's after-school GNC program. The Edgewater seminar for Greater New Orleans prepared 8 new volunteers and 3 returning volunteers. The training on the Northshore at Grace Memorial Baptist equipped 9 new (senior adult) volunteers and 2 returning students! This training will make it possible to open new schools for GNC's and continue in established sites!

So...while floods and storms are happening all around us, God's faithful love and tender mercy is flowing too! We thank God that we can train others to go and bring His Good News to boys and girls throughout Greater New Orleans and the world and that His work continues despite the storms that come our way! Together, with your help, we can flood our nation and the world with His love story and saving grace!

Thank you so much for caring and praying. Because of you, we can teach kids, train adults, and keep telling His story!

For the little ones,

Phil & Debbie Smith
