

Thank you SO much !!!
May God richly bless you!

Dear White Bluff Mission Board and Family,

Wow! Yeah! Praise the Lord!

... just a few of our thoughts when we received your generous love-offering. We didn't wait to put your gift to work for our Biggest and Smallest Mardi Gras Outreach... YES! Biggest with more families reached. YES! Smallest with much less volunteers due to conflicts in schedule, sickness, or relocating.

Plus, Lord-willing, we plan to add the needed stairs, finishing hanging sheetrock, and finish trim work for our office. We faced some setbacks with flooding and tornadoes here in Louisiana and personal health issues but even with the setbacks, God's work continues to grow and prosper (we know that not only your giving makes the difference but your prayers too.) Thank You!
