Missions at Work

The Great Commission of Jesus Christ (Matthew 28:16-20) calls His church to evangelize and disciple all nations. The example and teaching of Christ also calls his church to meet human needs in His name. The Missions Committee of White Bluff Chapel exists to fund and partner with mission agencies and organizations that seek to meet these human needs and lead people to faith in Christ, locally, nationally and globally.

The harvest is plentiful but the workers are few. Will you hear his call and help us send workers into the harvest?
